Description

Preconditions

The user has opened the registration form via **My Account → Register**.

Steps to Reproduce

1. Enter a first name with spaces at the beginning and/or end.
   (e.g., `" John"` or `"John "` or `" John "`).
2. Fill in all other required fields in the registration form.
3. Click **"Continue"**.

Expected Result

The account is created successfully.
Leading and trailing spaces in the first name are automatically trimmed before saving.
The stored name appears without extra spaces.

Actual Result

The account is created, but the user's first name is saved **with the leading and/or trailing spaces**.
